Hi Lorena,

As a cost savings measure, we removed the plant establish period from the contracts scope. Please move forward with scheduling the watering. I checked the plants yesterday and they look good!

Thank you,

Alain,

I'm still needing to find out if the landscaper will be responsible for watering for a period of time and I need to schedule watering.

Please advise ASAP.

Thank you.

Good Morning Community Partners:

My sincere apologies for the last minute notification, but please join Councilman Buscaino, the Los Angeles Neighborhood Initiative and others as we celebrate and cut the ribbon today at 1PM on the Lilyan Fierman Walkway Improvements, just east of the historic Warner Grand Theatre. Please feel free to distribute the attached flyer to your list of contacts.

Hope to see you there!

Sincerely,
